

I Won't Mind

Uriah Heep

I don't mind
If you steal my last dime
Just leave me anytime
And I'll get, get along fine
I don't really know why
But I know I'll get by
If I don't I'll die tryin'

If it rains again
I'm gonna fly to the sun
'Cause nothing gets done
Just sitting, sitting around
Look at the way it's been
Just waitin' and wonderin'
I've just got to keep trying

Looking for gold in the sky
Gets kinda rough
Maybe I'm to blame
'Cause I didn't look hard enough
But I still get the feeling
That it shouldn't be so tough

So I won't mind, I, I won't mind
I won't mind, I, I won't mind

So I won't mind
I, No, I won't mind
I won't mind, I, said I won't mind
