On the Rebound

On the rebound, on the rebound That's how you fell for me That's how you changed my life You cut me like a knife

On the rebound, on the rebound You came, you saw, you took It only took one look And lady, I was hooked

On the rebound, it's a replay Your love was on the rebound On the rebound You came and took my soul You came and left a hole Where your love used to be

On the rebound, on the rebound You like to drown in your tears And after all these years You give your pain to me

On the rebound, you came to me, babe On the rebound, to set you free On the rebound, too bad for me Your love was on the rebound

You came to me To set you free To pray for me It's a replay You came to repay It's a replay To set you free Just a replay Your love was Just a replay
