## **Prima Donna**

I'll go down fightin' But rather be delightin' All the people that come to see The Devil's from Chicago Now where the hell do they go When we get in our limousines

'Cause we just want to be Where it's all going on But tell me what do you do When it's over And everyone who Loved you is gone They're gone I said they're gone

You're our kind of people You're the church And we're the steeple But we're all inside the hall If we've got what you need Then we'll give you the speed To get up and have a ball

'Cause we just want to be Where it's all going on But tell me what do you do When it's over And everyone who Loved you is gone

You're just another Prima Donna of rock 'n' roll So please let me know When you want me to go
