Salisbury

Uriah Heep

Somewhere in your eyes That very special glow Something drawing me To where I do not know I never really thought That I would lose myself Now I'm going faster Than anybody else

You move without a sound And touch me with your hand Just like the rain that fondles Every grain of sand This thing we're gonna do It's just for you and me I'm gonna make it good Good as it can be

Your kiss is sweeter now Your breath is getting warm We must take our time And last it through til dawn I wonder will it be Oh, I expect it to There have been other girls No-one else like you

I feel a power here I never felt before And I begin to see What drives us to want more Oh, girl of all my dreams Please tell me if I'm wrong Because I've been blue But we belong

As time passed and all too fast I just knew we couldn't last And I guessed that the end Was near at hand Though we tried our love inside It just crumpled up and died What went wrong I will never understand

You tell me why Alone again How could you leave me Alone again I don't want to be Alone again

There's a line in a rhyme I was going to send to you It says, "All that is to be Will surely be" So oh, though you had to go 'Cause you needed someone new Is there still a chance That you'll come back to me I want you back you see

Alone again How could you leave me Alone again How could you leave me Alone again I don't want to be alone again

Somewhere in your eyes That very special glow Something drawing me To where I do not know I never really thought That I would lose myself But now I'm going faster Than anybody else

You move without a sound And touch me with your hand Just like the waves that fondle Every little grain of sand This thing we're gonna do It's just for you and me And I'm gonna make it good Just you wait and see
