

Stealin'

Uriah Heep

D C G D
Take me across the water 'cause I need some place to hide.
D C G D
I done the rancher's daughter and I sure did hurt his pride.
D A G D
Oo-oo oo-oo ah ah ah
D A G D
Oo-oo oo-oo ah ah ah
D C G
Well there's a hundred miles of desert lies between his hide and
D
mine
D C G D
I don't need no food, no water, Lord, 'cause I'm running out of time
G F C
Fightin', killin', wine and women gonna put me to my grave.
G F C
Runnin', hidin', losin', cryin'. nothing left to save
D C G D
Krank It Up
but my life.
D C G D
Oo-oo oo-oo ah ah ah
A C G D
Oo-oo oo-oo ah ah ah
D C G D
Stood on a ridge and stunned religion thinking the world was mine.
D
I made my break and a big mistake,
C G D
Stealing when I should have been buying
G F
All that fightin', killin', wine and women
C
Gonna put me to an early grave.
G F C
Runnin', hidin', losin', cryin', nothing left to save
D D D
but my life, life, life, life, life, life, life, life,
D C G D (4x)
D
So I stood on a ridge and stunned religion
C G D
Thinking the world was mine.
D
I made my break and a big mistake,
C G D
Stealing when I should have been buying.
D C G D
I was stealing when I should have been buying,
C G D
I was stealing when I should have been buying.
D C G
