

Why

Uriah Heep

Thought of no tomorrow
The pain, tears and sorrow
And you never told me why
The way you cheated and mistreated
I could never ask you why

Well I'm gonna find out, I'm gonna find out
What's been messing up your mind
Messing up your mind

Well I've been through some changes
Now I'm leaving
Why my mind rearranges, Why I'm grieving
I don't mean that you hurt me or deceive me
For I know that you're there and you need me, you sure do
But I hope you can't see how it is
I can't stand it, oh love
I got to go

Is there any true reason or anything I could explain
Can't we talk about it baby
And that you give again
You see I have a feeling that this isn't the end
And I feel no end, oh on you I depend
I depend on you

I'm gonna find out yes I am
I'm gonna find out
What is that's been messing up your mind
Messing up your mind ooh

Well I said that I love you and I need you
That it means I am yours
Yes I belong to you
Well I just can't be certain that you love me too
But I got to know if I can believe in you
Please believe my heart is yours
I can't stand it, oh love
I got to go

Perhaps it's best for us to stay together
And try to live our lives as one
And maybe we will find out we're still together
To watch the setting of the sun
Oh, oh, oh, oh
