1. I sat before the wise man in the autumn of my youth  
**A** **C#m** **D - E**  
And I told him all the things I had to know  
**F#m** **C#m** **D** **A**  
He said you have the future if you need to find the truth  
**Bm** **D** **A** **D - E**  
And in his eyes I saw that it was so
2. So I came around and asked him the meaning of live  
And as he smiled I saw a twinkle in his eyes  
He said with all his years there's still so much he has to learn  
**Bm** **D** **A**  
And once again I saw that it was so

**G** **F#m-Em** **D**  
\*: Keep on living, loving, waiting your turn  
**G** **F#m - Em** **D**  
Is the only way to ease your concern  
**F#m** **E**  
If you want to find your dream be sure  
**F#m** **E**  
You don't wake up too soon  
**F#m** **E** **D**  
Or you'll find it easier shooting for the moon

R: Wise man wise man, which way should I run  
**C#m** **D** **A**  
There's so many roads, so many ways to turn  
**C#m** **D** **F**  
I'm like a blind man, lost in the sun  
**A** **F#m**  
I wanna be like you and be a wise man too  
**D** **Dm** **A**  
But I'm looking for an easy way to learn

R: Wise man wise man...
