

## Savages Arise

Vallenfyre

Like Pitiful Dogs, They Are Drunk On Neglect  
And Procreate Vacuous, Violent Threats

Rise From The Ashes Of Unspeakable Filth  
A Suffocating Urge To Kill  
The Entire Human Race

A Billion Maggots Incessantly Breed  
Relentless And Mindless, A Cancerous Greed

Torn From Cadavers  
Of Avaricious Souls  
An Unfathomable Servitude  
A Total Fall From Grace

The Throne Ablaze  
Admonished Mortal Eyes  
An Endless Maze  
Where Savages Arise
