

Summer Stay

Valora

Whoa!!! Ohh!!! Ohh!!! Whoa!!! Ohh!!! Ohh!!!
Another evening without you...
Forgotten glow outside my window...
This perfect thrill could never last...
We new wade ever, we could let go...

A world about the last
And happen don't to best
Before I knew we there was no one
Back on fake you there's heard
Now you've been heard,
Was just shadow have it on Summer stay!!!

Whoa!!! Ohh!!! Ohh!!!
I wonder where you may be, now...
And every you think about me, ever...
And will we share another dance...
So I keep place my hand and your hand...

The lie don't is for pain
I do it all again
Before I knew we there was no one
Back on fake you there's heard
Now you've been heard,
Was just shadow have it on Summer stay!!!

Before I knew we there was no one, no one, noooo!! yeah!
Now you've been heard,
Was just shadow have it on Summer stay!!!

Could you forget your Summer stay!!!
Would you forget your Summer stay!!!
Could you forget your Summer stay!!!
Would you forget your Summer stay!!!
Whoa!!! Ohh!!! Ohh!!! Whoa!!! Ohh!!! Ohh!!!
