

Hook It Up

Vanessa Hudgens

Hey, what's up?
Rock Mafia, Rock Mafia, Rock Mafia

Everybody likes a fiesta
Everybody wants to have fun
Bring a couple o' friends and I'll betcha
They'll be hooking up with someone

Cause I'm tired of all the boys
Who don't like to dance
And if you don't like to dance
You don't stand a chance, so
Why you standing in the corner
With your arms all folded
When you know' that she's ready to dance
Right upon ya'

You got the money, money
She's got the hottie body
We wanna party, party
Hook it all up (hook it up)
You pick the song they're playing
She waits anticipating
All the while the DJ's saying
Hook it all up (hook it up)

Hook it up, baby
Hook it up

If you think you can just stand around you're dreaming
It's gonna take a little bit more
To have a chance with me is a good reason
To mix it up out on the dance floor

So...
Hell no, we don't dance 'less we don't stand a chance
Then we pull up our pant and hit the dance floor, baby
So...
If you want a chance, better get up and dance
'nless ya' can't really dance
In that case stay at home players only

You got the money, money
She's got the hottie body
We wanna party, party
Hook it all up (hook it up)
You pick the song they're playing
She waits anticipating
All the while the DJ's saying
Hook it all up (hook it up)

The beat is dropping
There's no stopping
What could happen here tonight
I'll hook it up with my friends
I'll hook it up with her friend
No one's gonna feel alone tonight

You got the money, money
She's got the hottie body (hook it up)
We wanna party, party (hook it up)
Hook it all up (hook it up)
You pick the song they're playing
She waits anticipating
All the while the DJ's saying
Hook it all up

You got the money, money
She's got the hottie body (hook it up)
We wanna party, party (hook it up)
Hook it all up (hook it up)
You pick the song they're playing
She waits anticipating
All the while the DJ's saying
Hook it all up
