Vanessa Hudgens

All I want is to be a part of your weekend All I need is a little bit of your time Baby, I?m your girl and I need some attention When you ignore me I just lose my mind

I ain?t gon? bug about you going out last night Though, baby I know that I?m the only one in your side But please don?t tell me nothin?

- I don?t wanna know what you did last night
- I don?t wanna hear that you had a good time
- I don?t wanna know if it was all real or a lie
- I don?t wanna feel like I had to be there
- I don?t wanna know about the other girls there
- I just wanna know when you?re around you?re mine
- I don?t think that I?m being obsessive
- I don?t think that I?m being out of line
- You got your space and I get to be selfish
- You get yours baby and I get mine

I?m doing just fine as long as we see eye to eye You with me?

And no no, ain?t nothing wrong with going out And having a good time, I don?t wanna know nothin?

- I don?t wanna know what you did last night
- I don?t wanna hear that you had a good time
- I don?t wanna know if it was all real or a lie
- I don?t wanna feel like I had to be there
- I don?t wanna know about the other girls there
- I just wanna know when you?re around you?re mine
- I can only picture you out meeting someone new Baby got my mind goin' wild
- I know your love is true, but what?s a girl to do All I need is a sign

'Cause I get jealous, oh baby I get jealous, oh so jealous Don?t mess me up with whatever is down

- I don?t wanna know what you did last night
- I don?t wanna hear that you had a good time
- I don?t wanna know if it was all real or a lie
- I don?t wanna feel like I had to be there
- I don?t wanna know about the other girls there
- I just wanna know when you?re around you?re mine
