

Harvest for the World

Vanessa Williams

All babies together, every one a seed
Half of us are satisfied, half of us in need
Love's bountiful in us, tarnished by our greed
Oh, when will there be a harvest for the world
Yeah, yeah, yeah, oh, oh yeah

A nation planted so concerned with gain
As the seasons come and go, greater grows the pain
And far too many feelin' the strain
Oh, when will there be a harvest for the world
Yeah, yeah, yeah, oh, oh

When will there be now, how? Gather every man
And gather every woman, celebrate your lives
Give thanks for your children

Gather everyone
(Gather everyone)
Gather all together
(Gather all together)

Overlookin' none
(Overlookin' none)
Hopin' life gets better for the world
Oh, oh, ooh

Dress me up for battle when all I want is peace
Those of us who pay the price, come home with the least
And nation after nation turning into beasts
Oh, when will there be a harvest for the world
For the world, for the world, for the world

When will there be a harvest? When will there be a harvest?
When will there be a harvest? I wanna know right now, yeah
When will there be a harvest? When will there be a harvest
I wanna know right now, yeah

When will there be a harvest? A harvest, a harvest
A harvest, harvest for this whole world, yeah

Harvest for the world
Harvest for the world
Harvest for the world
Harvest for the world
...
