

# The Search Party Never Came

Vanna

We're as far as far can be  
Let's take of our coats and stay, a while  
With nothing but the fire burning on

We're as far as far can be  
Let's take of our coats and stay, a while  
With nothing but the fire burning on

If we could stop ourselves right here  
Then what would we do differently  
In trying to make you see my point  
I'll bury it deep into your chest

Can we let go our past mistakes  
Mistakes we made, or are they stronger  
Stronger then the two of us

Can we let go our past mistakes  
Mistakes we made, or are they stronger  
Stronger then the two of us

If we could stop ourselves right here  
Then what would we do differently  
In trying to make you see my point  
I'll bury it deep into your chest

And in that moment  
Time stood still  
And from that point on  
There was no turning back

And in that moment  
Time stood still  
And from that point on  
There was no turning back

There's a shadow on the wall  
Moving slowly towards the door  
Now the room is empty  
And so our lives

There's a shadow on the wall  
Moving slowly towards the door  
Now the room is empty  
And so our lives

In the end, they'll never come  
In the end, they'll never come  
In the end, they'll never come  
In the end, they'll never come

She waited and waited and waited  
But they never came

They never came  
They never came  
They never came

They never came
