

# Set Me Free

Velvet Revolver

You operate and motivate on synthetic fuel  
you're Mother Nature and an atom bomb  
As long as you're kept full of pretty bodies  
your little secret will be safe with me  
around again insane again  
it comes again it sets me free  
so set me free  
set me free  
'cause I think you need my soul  
set me free  
set me free

Your kept alive and polarized with one thing in mind,  
metabolizin' everything that you see  
but now and then or a little later  
now I'm gonna take you down with me  
Around again insane again  
she comes again it sets me free  
so set me free  
set me free  
'cause I think you need my soul  
set me free  
set me free

so set me free  
set me free  
'cuase I think you need my soul  
set me free  
set me free

So, take me down  
take me down, down, down, down  
take me down, take me down

So, take me down  
take me down, down, down, down  
take me down, take me down

So set me free  
set me free  
'cause I think you need my soul  
set me free  
set me free

So set me free  
set me free  
'cause I think you need my soul  
set me free  
set me free

So set me free  
set me free  
'cause I think you need my soul  
set me free  
set me free

So set me free

set me free  
'cause I think you need my soul  
set me free  
set me free

My freedom  
Oh, I don't mind  
My freedom  
Oh, I don't mind  
My freedom  
Oh, I don't mind  
My freedom  
Oh, I don't mind  
My freedom
