

## I See the Door

The Verve

As sirens screamed out in the darkness  
And fire fell down from the sky  
As we cowered again in the bunker  
We all knew the reason why  
As our houses lay in ruins  
And our sons were shot side by side  
As the devil danced upon the graveyard  
We all knew who's to blame  
"For I am not one of the cowards  
For I'm neither mortal nor weak  
For I am the one you have longed for  
A new master-race forsee"  
He that is without sin among you  
Let him first cast a stone on you...  
Joh. 8,1

If wishes were horses, beggars would ride  
If leaders feed beggars, a nation of beggars will fight  
Those you once seduced  
Are now here to be crucified  
The principle of a fool  
Who's betrayed and sacrificed  
And to the fire-ey'd maid of smoky war  
All hot and bleeding will we offer them:  
The mailed Mars shall on his altar sit,  
Up to the ears in blood...
