VETO

I just can't believe
That you're asking me this
Do you really want me
To Answer this

Yes, I guess I
Feel like I am trapped
Yes, I guess I sometimes
Feel like my life
Has already been mapped

refrain:
But there are thing's
That are best left unsaid
And I have thoughts
That are best kept
Inside my head

refrain2:
Yes I want to elope sometimes
Pack my stuff
And escape sometimes

But I couldn't be
More satisfied
Than I am right now
But sometimes I doesn't
Feel right to feel good
Sometimes it feels
Like there should have been more

I want you to stop this right now
You're not getting anywhere anyhow

Yes I sometimes
Feel like a man feels
When a man is feeling trapped

refrain:
But there are thing's
That are best left unsaid
And I have thoughts
That are best kept
Inside my head

refrain2:
Yes I want to elope sometimes
Pack my stuff
And escape sometimes

But I couldn't be
More satisfied
Than I am right now
But sometimes I doesn't
Feel right to feel good
Sometimes it feels
Like there should have been more

But I couldn't be
More satisfied
Than I am right now
But sometimes I doesn't
Feel right to feel good
Sometimes it feels
Like there should have been more
