

"Michelle loves Willie"  
"Our little Sarah"  
"Daughters of the American Revolution"  
"Stryper loves Jesus" and I love a girl  
Against my better judgment  
'Cause I feel like a squirrel

My roommates got married and I booted up  
And a friend of ours told me that I was disgusting

Walhalla is pinned to the edge of South Carolina  
we interstate travelled just to free a man from China  
Hotel full of Pakistanis  
And a front porch filled with greasy greasy grannies

When the bug hits that's the time to scratch it  
When the bug hits that's the time to scratch  
When the bug hits that's the time to scratch it  
When the bug hits that's the time to scratch
