Music, music is my thing

I like the sound of music all in my brains

Pleasure
Pleasure is my game

Pleasure will lead
To my fortune and fame, all right

Wacth him Wacth me coast through the floor

Checking out every star Who comes through the door, yeah

Mellow as I can be

But baby I'll burn you if you're dancing with me

Cause' he's a hot cop Hottest cop on the disco scene

People say that i'm a dancing machine

Cause he's a hot cop Hottest cop that you'll ever see

I bet you never meet a cop As funky as me

Party, boogie, boogie boogie, boogie, get on down

Party, boogie, boogie boogie, boogie, get on down

Party, boogie, boogie boogie, boogie, get on down

Get up
Get up off your seats

come on and start dancing
to the funky jumping, all right

Party
Come and party with me

Come on everybody Let your spirits be free

Get down

You won't hear me scream

Come on blow your whistles Play your hot tambourine

Don't stop
Don't stop doing your thing

Don't stop, Don't stop You're making me so hot

Cause' he's a hot cop Hottest cop on the disco scene

People say that i'm a dancing machine

Cause he's a hot cop Hottest cop that you'll ever see

I bet you never meet a cop As funky as me

Party, boogie, boogie boogie, boogie, get on down

Party, boogie, boogie

boogie, boogie, get on down

Party, boogie, boogie boogie, boogie, get on down

Get on down [3X]

Come on you all
This is the hot cop talkin' to you
I want everybody to get on their feet
Don't want nobody to be sitting down

Party, boogie, boogie boogie, boogie, get on down

Hey! That means you too!

Party, boogie, Boogie
