Vinnie Paz

In a music field you got people who really are into the occult and into Satan. And then you got some who probably playing games, but no matter how you cut it - they're propagating Satan, they're propagating the demonic line, the occultic world and I think it's a devastating thing on our country-

Yeah, one-two

Jail monster dumbbells concentration curls out  
Bloodbath headshot tell em through a telegram  
Samhain an idiom Hashem upon a Pentagonagram  
Duality of two triangles is the hexagram  
Scheming on you like a mexican  
Nighthawk custom made shells and a vest  
And my OG sitting in a cell and he stressed  
Doing 2301 and he smell and depressed  
And the sun sets here but it fell in the west  
Ask about me homie I will aim at the throne  
Say goodnight to the bad guy Razor Ramon  
You ain't on my level, not an honorable mention  
And this bullet focused on you undivided attention, doma

Twelve tribes of Israel, 12.5 for half a block of fishscale

What the fuck is happening the world has gone ham  
I can't believe it's bacon, bayonets attached to AKs  
What's shaking, go get your cake in  
We move indistinguishably, discreetly  
Within the shadows we decide what the streets see  
A cross between Tony Yayo and Roy DeMeo  
Bandana Scott Baio, Machete Danny Trejo  
Eddie Iron Maiden, sword pentagram slayer  
Never trust a fiend who swear he'll pay for that gram later

I'm on Venice beach ripping waves, whores and selling leak  
Got a hundred project animals, we dying to eat  
We active as fuck, these dividends in Panama bucks  
Futuristic, my shooters roll up in Amazon trucks  
Circus of power Rocky Dennis kids on powder  
Topple regime like Nicky Scarfo, Betty White the sour  
Cocaine barrels produced in rain forests from pharaohs  
Uncle Howie taught me how to cut the juice with the flour  
Consumer racketeer rap Norman Lear stickups in 89' gear  
Focus on the Gods in the field  
Bricks like betty whip Mr Majestic hit, heavy metal shit

Dashiki and slacks run some Crazy Eddie shit  
Half Fenris, half Salvie Testa ravioli stretcher  
Inverted church we out to lunch take our holy measures  
Shoppers of medicine you register vegetable  
Like an Ed Repka painting I come to life when I'm deading you
