

Candlelight Song

Violent Femmes

In the mourning
Of the morning
I hear mourning
Of the deepest kind
Kind and kindly
Soft and silly
Wile and willy-ling-ly-lessness
Much less much less
What's best what's best
Lifelessness
My doll is dead
Listen to the song sing along
Listen to the song sing along

In the mourning
Of the morning
I hear mourning
Of the deepest kind
Kind and kindly
Soft and silly
Wile and willy-ling-ly-lessness

Lifelessness
My doll is dead

Listen to the song sing along
Listen to the song sing along
Listen to the song sing along
Listen to the song sing along

In the mourning
Of the morning
I hear mourning
Of the deepest kind
