

# Do You Really Want to Hurt Me?

Violent Femmes

I needed time to realize my crime  
It was let me love and steal  
I did dances inside my mind  
Now how can I be real?

Do you really want to hurt me?  
Do you really want to make me cry?  
No I don't really want to hurt you  
Then lovers always asked me  
Why, why, why, why?

In my mind my memory's burning  
What's your favorite color of your favorite car?  
I took a step the step was learning  
That, that's a step beyond a step too far

Do you, do you really want to hurt me?  
Do you really want to make me cry?  
No I don't really want to hurt you  
I told the truth but it was still a lie

The words are few some are unspoken  
I could sleep four thousand years  
Man of sorrows word unbroken  
His sweat like blood came down like tears

I've been talkin' but believe me  
I know that it's true  
Now that there's no more  
I don't know

I'm in love and love's the reason  
I'm not prepared to let you, let me go so  
If it's love you want then take all of me  
It's this love I want, I can finally see

Do you really wanna hurt me?  
Do you really wanna make me cry?  
But I don't really wanna hurt you  
Love is always asked me  
Why, why, why?

Do I really wanna hurt you?  
Do I really wanna make you cry?  
Yes I suppose, I wanna hurt you  
You told the truth but it was still a lie

Do you really wanna take me, hurt me?  
Do you, do you wanna  
Do you, do you, do you wanna hurt me?
