

## Happiness Is

### Violent Femmes

I don't know what one means by happy  
I'm happy spasmodically

I don't know what one means by happy  
I'm happy spasmodically

I don't know what one means by happy  
I'm happy spasmodically

If I eat a chocholet turtle, I'm happy  
When the box is empty, I'm unhappy

Happiness is, happiness is a word for amatures  
Happiness is, happiness is a word for amatures

I don't know what one means by happy  
I'm happy spasmodically

I don't know what one means by happy  
I'm happy spasmodically

If I eat a chocholet turtle, I'm happy  
When the box is empty, I'm unhappy  
When I get another box  
I'm happy again  
When I get another box  
I'm happy again

Happiness is, happiness is a word for amatures
