

Old Mother Reagan

Violent Femmes

Old Mother Reagan
And her crew
Took away
From me and you

I hope she goes far away
She better go far away

Y'know it ain't right
When it's all wrong
This is the Old Mother Reagan
Protest song

Old Mother Reagan
She's so dumb
She's so dangerous
How come

She don't go far away
She better go far away

Old Mother Reagan went to Heaven
But at the Pearly Gates, she was stopped
