To the Kill

Violent Femmes

Ain't had no fun All the time jacking around Ain't had no fun All the time messin mind

I kick it around But if it's alright with you If it's alright, yes I will Aw, c'mon babe Go ahead to the kill

I ain't no kid Chicago I ain't no Al Capone But there's a windy city In my bedroom alone

I said I don't live in Chicago I don't know no Al Capone That bitch took my money And went to Chicago

If I ain't already enough
Sick and alone
Wher's it at
It's down, down, it's downtown
