

On the Wings of the Night

Virgin Steele

[Music and lyrics: De Feis]

When the dark is complete
And the day goes to sleep
That's when I come alive
Faster than shadows
On the wings of the night I'll be by your side
And my soul spreads wide its raven wings
And I cover you tonight
Ooh you won't need no other
I'm your dangerous lover, oh babe you know it's true
I wanna feel you in the dark
I wanna kiss your body
I wanna make you mine!

[Chorus:]

Ride on the wings of the night
(You know you want to)
Ride on the wings of the night
(You're old enough to)
Ride on the wings of the night
(I'm coming for you)
And they tell you I'm wild
That I'm the devil's child
I'll only make you cry
They say you're too young to feel
They say my love's a lie
But they don't know what it does to me
Just to have you in my arms
I'll introduce you to life's forbidden delights
I'll make you a woman of you
We Ride!
Midnight, hearts collide
Naked alone, your body's mine
Ooh babe, don't say no..
Tonight... my virgin child come..
I wanna feel you in the dark...
