

Seventeen

Virgin Steele

[Music: De Feis/Pursino, lyrics: De Feis]

Little Janey's got a crazy walk

Rock and roller, leather vixen talk

She moves so fine

Belladonna with an angel heart

Topless dancer, Paris pearls

She's hot!

Underneath the lights

I wanna feel your body burnin' all night long

I want to taste the magic hidden in your charms

[Chorus:]

Sweet seventeen- age of consent

Seventeen- age of consent

She's seventeen and tight, ah yeah (look out)

Makin' love under the summer night

Bodies sweating into liquid life

Little girl sighs

Slidin' sweeter down her velvet thighs

Leopard movement, animal surprise

Sweet, sweet cries

Slide on, champagne siren, ah it's only sweeter babe..
