

## Cash Karma

Viza

Numb your heart on mine,  
take the poisoned bait,  
pet the porcupine,  
but pull out all its needles.  
Pay the toll on time or burn the bridge that ridicules you.

I can't find myself,  
but I can see the price tag on your head.  
I don't care what anybody says.  
I'd rather you be sorry and be dead,  
my rabbit foot will summon your 'Cash Karma'.

Rent the poet's rhyme,  
with an attitude,  
eat the porcupine,  
swallow all its needles.  
Pay the toll on time or burn the bridge that ridicules you.

I can't find myself,  
but I can see the price tag on your head.  
I don't care what anybody says.  
I'd rather you be sorry and be dead,  
my rabbit foot will summon your 'Cash Karma'.

Secrets are nothing more than clothes buried in your soul.  
Secrets are nothing more than shame sentenced to disdain.  
Secrets are nothing more than clothes buried in my soul.

I can't find myself,  
but I can see the price tag on your head.  
I don't care what anybody says.  
I'd rather you be sorry and be dead,  
my rabbit foot will summon your 'Cash Karma'.
