

Keep On...

Votchi

Keep on smiling,
freedom is all you need

Keep on crying,
let love bleed

Keep going on,
don't look behind

Keep on fighting
cause you never lose...
(never stop!)

[REF]:
Hey hey hey hey,
you are my angel
for tonight,
you are my angel who shows me the light.

Hey hey hey hey,
you are my angel
for tonight,
you're my guide who can show me the light.

All that I'm saying you know must be right!
All that I'm singing you know must be right!
All that I'm saying you know must be right!

All that I'm singing's na na na na na na na na na na..
