She cry
Seh she cyaa tek di pressure no more
She seh she feel like pack up har tings dem
And run away
To a place
Where
There is

Love
Love, love
There is love
That's what she's really searching for
Love
Love, love
Only love
And where she finds that place that's where she stays

Show har appreciation
Tell har yuh love har
And yuh fi rub har
Not just di night time
Any time a di right time
Dinner by candlelight, white wine
Before di right wine
Ah cyaa yuh woman yah beat up
And a ill treat
Yuh buy di mansion weh carpet inside, beds wid quilt sheet
Give har di world and pay di bill fi'it, and a wonder why she still cheat

Love

And where she finds that place that's where she stays

Second verse is fi di fadas
Any man weh round di cornas and molest dem daughtas
Is like a blind man inna darkas
You nuh see, every madda even yours, is a daughta
Dem start as, she tell mummy, mummy seh a lie
She haffi run weh like ink outta di markers
Till me hear from di son seh she pregnant, fi a school yute cross di borders
weh show har

Love
Love, love
There is love
That's what she's really searching for
Love
Love, love
Only love
And where she finds that place that's where she stays

Dis woman, have two yute weh big enough

Fi understand bout life living and living up
She want better fi them, she ain't giving up
Before she mek dem dead, she sell her body instead
Dem brains was too young to decide
Dem cuss har to di point of suicide
Then a ask why dem madda died
Dem destroy har last drop of dignity and pride
She try but nuh get no

There is love
That's what she's really searching for
Love
Love, love
Only love
And where she finds that place that's where she stays
