## Here We Are Again

## Wanda Jackson

Just when I think I've forgotten you and our cheating love's at an end I vowed to myself I'll see you no more but here we are again That dimly cafe where I first met you slowly has turned into ou r secret randezvous Our vows belong to others that makes our love unfair But I just can't seem to find a way to end our love affair Just when I think I've forgotten you... Just when I think I've forgotten you...
