Jealous Heart

Wanda Jackson

Jealous heart oh jealous heart stop beating can't you see the d amage you have done

You have driven him away forever jealous heart now I'm the lone ly one

I was part of everything he planned for and I know he loved me at the start

Now he hates the sight of all I stand for all because of you oh jealous heart

Jealous heart why did I let you rule me when I knew the end would bring me pain

Now he's gone he's gone and found another and I'll never see my love again

Through the years his memory will haunt me even though we're ma ny miles apart

It's so hard to know he'll never want me cause he heard your be ating jealous heart

Cause he heard your beating jealous heart
