

# Seek Me

Watermark

Seek me  
And when you seek me, you will find me  
And when you find me, you will know me  
And I will not hold anything from you

Seek me  
And when you seek me, you will find me  
And when you find me, you will know me  
And I will not hold anything from you

Wake up to my sunrise and tell me all your dreams  
I will be to listen faithfully  
I'm the one that sees in you, the glory of my Son  
So for you there is no other now, I'm the only one

Seek me  
And when you seek me, you will find me  
And when you find me, you will know me  
And I will not hold anything from you

Seek me  
And when you seek me, you will find me  
And when you find me, you will know me  
And I will not hold anything from you

Come now to my table that I've prepared for you  
You don't have to be ashamed to come into my view  
And you don't have to be afraid that I will see those wounds  
'Cause my table covers everything it will always cover you

Seek me  
And when you seek me, you will find me  
And when you find me, you will know me  
And I will not hold anything from you

Seek me  
And when you seek me, you will find me  
And when you find me, you will know me  
And I will not hold anything from you

La la, la la, la la, la la, la la la  
You don't have to be afraid  
I will take you as you are  
You can come into my presence and give all you are

Seek me  
And when you seek me, you will find me  
And when you find me, you will know me  
And I will not hold anything from you

Seek me  
And when you seek me, you will find me  
And when you find me, you will know me  
And I will not hold anything from you

Seek me  
And when you seek me, you will find me

And when you find me, you will know me  
And I will not hold anything from you

I will not hold anything from you  
I will not hold anything from you  
Seek me, when you seek me, you will find me
