

## So Glad It's Christmas

Wavves

The best part of Christmas time to be  
Seeing all the friends and family  
But when I [?]  
Just hold me by the Christmas tree

Everything feels the same to me  
Same old stories [?]  
Walking back in the snow  
You're in my arms that are still numb  
Just hold me by the Christmas tree

I'm just so glad it's Christmas  
I'm just so glad it's Christmas  
I'm just so glad it's Christmas  
I'm just so glad it's Christmas  
I'm just so glad it's Christmas  
I'm just so glad it's Christmas  
I'm just so glad it's Christmas  
I'm just so glad it's Christmas
