

It Doesn't Matter Anymore

Waylon Jennings

There you go and, baby, here am I
Oh well, you left me here so I could sit and cry
Why can't you see just what you doing to me?
I guess it doesn't matter anymore

Do you remember, baby, last September
How you held me tight each and every night?
Don't you know now, baby, you drove me crazy?
I guess it doesn't matter any more

There's no use in me just sittin' here and crying
I've done everything and now I'm sick of trying
Thrown away my nights, wasted all my days over you

You go your way, I'll go mine
Now and forever 'til the end of time
I'll find somebody new and, baby, we'll say we're through
Maybe someday you won't matter any more

There's no use in me just sittin' here and crying
I've done everything and now I'm sick of trying
Thrown away my nights, wasted all my days over you

You go your way, I'll go mine
Now and forever 'til the end of time
I'll find somebody new and, baby, we'll say we're through
Maybe someday you won't matter any more

There you go and, baby, here am I
Oh well, you left me here so I could sit and cry
Why can't you see just what you doing to me?
Well, I guess it doesn't matter anymore

You go your way, I'll go mine
Now and forever 'til the end of time
I'll find somebody new and, baby, we'll say we're through
You won't matter any more
