

# What You'll Do When I'm Gone

Waylon Jennings

Staring at the door  
Every night I'm thinking more and more  
About walking out that door.

I know some day I will  
Although I'm standing still someday I will  
I know someday I will.

As right as we were we are wrong  
Nothing's going to change what we've done  
The only thing that keeps me from going, babe  
Is wondering what you'll do when I'm gone.

There's somethin' in your eyes  
I swear your eyes are tellin' me goodbye  
Goodbye is in your eyes.

You can call it pride  
But my thoughts of someone else here by your side  
That's killing me inside.

As right as we were we are wrong  
Nothing's going to change what we've done  
The only thing that keeps me from going, babe  
Is wondering what you'll do when I'm gone.

Staring at the door  
Every night I'm thinking more and more  
About walking out that door...
