

When Sin Stops

Waylon Jennings

(Don't stop, please don't stop)
(Don't stop, please)
(Don't stop, please don't stop)

Well my fever gets higher than a hundred and four
Everytime you come thru my door
You thrill me honey, you fill me with desire (baby don't stop)
Don't stop rollin' those eyes
Don't stop tellin' those lies
It's not right, I know it's a sin
But when sin stops love begins

Don't stop (don't stop, please don't stop)
Don't stop (don't stop, please)
Don't stop (don't stop, please don't stop)
(Baby, baby, baby don't stop)

I love ya honey in the day and night
I love you if things're wrong or right
I love ya honey, I need you all the time (baby don't stop)
Your lips are so good for me
Your lips are all I see
It's not right, I know it's a sin
But when sin stops love begins
Well open the door and walk right in
Where we left off that's where we'll begin
A little honey, that's what I've been waitin' for (baby don't stop)
Your love is a-what I needed
Oh mercy, I begged and pleaded
It's not right, I know it's a sin
But when sin stops love begins
When sin stops love begins[x2]
