Will the Wolf Survive?

Waylon Jennings

Through the chill of winter Running across a frozen lake Hunters hard right on his trail All odds are against him With a family to provide for But one thing he must keep alive Will the wolf survive? Will the wolf survive?

Drifting by the roadside Climbs a strong and aging face Wants to make some honest pay Losing to the rainstorm He's got two strong legs to guide him Two strong arms keep him alive Will the wolf survive?

Standing in the pouring rain All alone in a world that's changed Running scared now forced to hide In a land where he once stood with pride But he'll find his way by the morning light

Sounds across the nation Coming from your hearts and minds Battered drums and old guitar Singing songs of passion It's the truth that they all look for Something they must keep alive Will the wolf survive? Will the wolf survive? Will the wolf survive?
