

# Paradise

## We Three

Things get awkward when you act like that  
And you get nervous when I get too mad  
Both throwing punches and it hurts so bad  
Let me say, let me say, let me say I'm sorry

Think I'm stuck in the middle of your paradise  
And I'm not trying to ruin all your pretty lies  
I don't want to force this if it don't feel right  
Let me say, let me say, let me say I'm sorry

Yeah, I get selfish when I'm insecure  
And I get flustered when you talk about her  
So let's change the subject maybe that's our cure  
And I'll say, and I'll say, and I'll say I'm sorry too

Think I'm stuck in the middle of your paradise  
And I'm not trying to ruin all your pretty lies  
I don't want to force this if it don't feel right  
Let me say, let me say, let me say I'm sorry  
Will you say, will you say, will you say you're sorry

Oh yeah...  
Yeah, we're going round, and round, and round, and round  
Oh yeah...  
I hate when you're down, I'm down, we're down, we're down  
Oh yeah...  
We keep going round, and round, and round  
Will you say, will you say, will you say you're sorry

Think I'm stuck in the middle of your paradise  
And I'm not trying to ruin all your pretty lies  
I don't want to force this if it don't feel right  
Let me say, let me say, let me say I'm sorry

Think I'm stuck in the middle of your paradise  
And I'm not trying to ruin all your pretty lies  
I don't want to force this if it don't feel right  
Let me say, let me say, let me say I'm sorry  
Will you say, will you say, will you say, you're sorry too
