Boo.. I mean you my baby man.
All that other shit, that shit ain't fucking real.
Look, I love ya. I don't even be remembering these bitches names the next day.
Sometimes I don't even know they name before it even happen.
Know what I'm saying?

When you be gone, I'm wondering where you at, what you doing, and who you with.
Looking at the phone wondering what taking so long for you to get wet.
Kiss you where I miss you at, know where I'm finna take it. Then say you not in the mood so it's cool. watch. I'ma get you back. You my night, day, all that. You my what you call when you wanna take ya time, settle down, and share it all. You can have half of all this. You my baby girl. the way i feel, if you ever disappear I swear my heart will just stop. Even if I never ever make it to the top, you here to make me feel good you give me a natural high. Then, quit messing around. Told all them other girls "bye". If I wasn't paper chasing, probably wouldn't even much leave ya side. Bonnie. Clyde. Everybody's eyes on us looking. Listen to me, everything gone be fine. You brighten up my days when the sun don't shine. I tell ya all the time...

She got that pretty brown round. Driving me wild. can't let ya go girl. So if you wanna holla, holla back cause baby I want you. baby, I need you. so, if you wanna holla, holla back.
Cause shawty know she lookin like... woah. And shawty know she stunting like.. woah.

Just like I told ya, after all of this over. when the smoke clear from the doja you still gone have you shoulder for ya to lean on. No roses, I dont need that to show ya. I know you feel it when I hold ya. That i love yo ass more than anything and I'm saying we done been through the pain and all the rain done dried up, cleared all of my lies up. Feel like I done grewed up and opened my eyes up. Focusing more on us. Let's face it, we in love. and you make me so mad til I hate you so bad but I love you so much and the break-ups just never last. Sometimes this shit get annoying I know you tired of hearing I'm sorry but I am. I took yo hand and walked it, brought you with me. Goddamn. Sometimes you be trippin. Be forgetting what we have and when it come to fuck ups, baby, you done had your share. Yeah, you be forgetting that and the reason why you sitting where you sitting at...

You know, I just been thinking that when i get through hustling we gone move away and it's just gone be me and you. okay? I promise. right now i ain't got time. I'm on the grind. It don't sound right. you like my wife, but all my life i just wanted to be a tommie. In just a few more monnths and a few more blunts, i can retire. Look at me. To keep you happy, I'll do all that is required. and tell yo bullshit friends stay out our business, fucking liars. Yo birthday coming up. I got yo present. hope yo u like it. If you gotta real ass bitch that you in love with, holla "right chea". hoes, I can't love ya but I'll probably first night ya. Savage, sweet Jones throwin ya back at it. if I'm with my main squeeze get back at me. I treat ya like my mama, but you know you my baby. Don't you ever forget it. I know I ain't told you lately but.
