

# Put the Coke on My Dick

Ween

Dinner was nice  
Dressed up real pretty  
Took you out dancin'  
And a night on the city

Time's a 'wastin'  
And talk is cheap  
Bought a bag of blow  
With my pay for the week

Put the coke on my dick  
And turn to the wall  
Your p\*ssy is swollen  
And my penis is raw

Looks like sugar  
On a hard piece of meat  
Get your big ass 'round  
So you can taste the heat

Put the f\*ckin' coke  
On the tip of my cock  
All night long  
I'm strong as a rock

Better be good  
Cuz tonight I'm smokin'  
Two tons of man  
Is the title I'm holdin'

Put the coke on my dick  
And turn to the wall  
Your p\*ssy is swollen  
My penis is raw

Looks like sugar  
On a hard piece of meat  
Get your big ass 'round  
So you can taste the heat

The hour is late  
Get me up and see  
The zits on your ass girl  
They don't bother me

Tonight I'm on fire  
And there ain't no stoppin'  
Put the f\*ckin' coke  
On the f\*ckin' cock head
