

# Lonely Girl

Weezer

My lonely girl  
My lonely girl  
Lonely girl  
My lonely girl

So baby come on  
I know how to dance  
Why'm I the only one who ever takes a chance?  
So give it a try  
You're not gonna die  
Unless you refuse to live in higher way tonight.

I'm lonely, So hold me  
Can't you relieve?

So open your arms  
And let me come in  
I'd never hurt you girl cuz I would be a sin.

I'm lonely, So hold me  
Can't you relieve?

I'm hurtin, I'm worthy  
Can't you relieve?

I know I'm scared  
I know I'm sad  
I needed your help to realize it's not so bad.

So open you're arms  
And let me come in  
I'd never hurt you girl cuz I would be a sin.

My lonely girl  
My lonely girl  
My lonely girl  
My lonely girl  
My lonely girl  
My lonely girl  
My lonely girl
