

Have You Ever Been In Love

Westlife

Have you ever been in love
You could touch the moonlight
When your heart is shooting stars
You're holding heaven in your arms
Have you ever been so in love

Have you ever walked on air
Ever felt like you were dreamin'
When you never thought it could
But it will, it feels that good
Have you ever been so in love

Have you ever been in love
You could touch the moonlight
When your heart is shooting stars
You're holding heaven in your arms
Have you ever been in love, have you

The time I spent waiting
For something that was heaven sent
When you find it, don't let go

I know
Have you ever said a prayer
And found that it was answered

All my hopes have been restored
And I ain't looking anymore
Have you ever been so in love, have you

So please put you in living (??)
Somewhere you're gonna stay
When you finally found the meaning
Have you ever felt this way

The time I spent waiting
For something that was heaven sent
When you find it, don't let go,
I know

Coz have you ever been so in love, so in love
You could touch the moonlight
You can even reach the stars
Doesn't matter near or far
Have you ever been so in love

'Cause have you ever been in love
Have you ever been in love
In love
