

# Tonight

Westlife

Lately I'm so tired, if I took it all out on you  
I never meant to  
If I left you outside, if you ever felt I ignored you  
Know my life is all you

\*1: So put your best dress on  
And wrap yourself in the arms of someone  
Who wants to give you all the love you want

R: Tonight I'm gonna make it up to you  
Tonight I'm gonna make love to you  
Tonight you're gonna know how much I missed you  
Baby tonight I'll dedicate my heart to you  
Tonight I'm gonna be a part of you  
Tonight you're gonna know how much I miss you  
And I miss you so

I don't want to act like I know that you'll be mine  
forever  
Though I hope it's forever  
Don't want you to feel like I take you for granted  
whenever  
We are together

\*1: So put your best dress on...

R: Tonight I'm gonna make it up to you...

\*2: So put your best dress on  
And wraps yourself in my arms  
My love

R: Tonight I'm gonna make it up to you...
