

When You're Looking Like That

Westlife

When you're looking like that (till fade,)
She's a 5 foot, 10 in catsuit and bambi eyed
Everybody's who's staring wouldn't believe that this girl was mine
I should have know I was wrong
When I left her for a life in pity
But they say you never miss the water until it's gone

yeah

Guess I failed to love you
And you're taking it out tonight

How am I supposed to leave you now?
When you're looking like that
I can't believe what I just gave away
Now I can't take it back
I don't wanna get lost
I don't wanna live my life without you
How am I supposed to leave you now?
When you're looking like that

She's all dressed up for glamour and rock and roll
Wanna squeeze her real tight get out of this place
If only I could take control

But she's out of my reach forever
And just a week ago she lied next to me
It's so ironic how I had to lose just
To see that I failed to love you
And you're taking it out tonight

How am I supposed to leave you now?
When you're looking like that
I can't believe what I just gave away
Now I can't take it back
I don't wanna get lost
I don't wanna live my life with out you
How am I supposed to leave you now?
When you're looking like that

I don't wanna forget you
I don't even wanna try
How am I supposed to walk on by when you're looking like that?

How am I supposed to leave you?
I can't believe what I just gave away (oh no)
Coz I can't take it back
I'm lost
I don't wanna live my life with out you (live my life without you)
How am I supposed to leave you now?
When you're looking like that

How am I supposed to leave you now?
When you're looking like that
I can't believe what I just gave away
Now I can't take it back
I don't wanna get lost (lost)

I don't wanna live my life with out you
How am I supposed to leave you now?(am I supposed to leave you)
When you're looking like that!
