

# Without You

Westlife

I get a rush when you're there in the mornin'  
Rollin' over, rubbin' your eyes  
I see you in the dark, then the light starts to pour in  
And I get the butterflies

And I want, and I want  
And I want, and I want you to know

I want you to know  
That you're my burning sun  
My precious one  
And I would die without you  
I want you to know  
That you're my shining light  
My endless night  
And I would die without you

I can get in trouble with myself, lose focus  
Caught up in the static somewhere  
I can overcomplicate a simple little moment  
But you know how to clear the air

And I want, and I want  
And I want, and I want you to know

I want you to know  
That you're my burning sun  
My precious one  
And I would die without you  
I want you to know  
That you're my shining light  
My endless night  
And I would die without

Ooh-ooh, you're all I want  
You-ooh, you're all I need  
You-ooh, you're everything  
And I would die without you  
Ooh-ooh, you're all I want  
You-ooh, you're all I need  
You-ooh, you're everything  
And I would die without you

I want you to know  
That you're my burning sun  
My precious one  
And I would die without you

I want you to know  
That you're my burning sun  
My precious one  
And I would die without you  
I want you to know  
That you're my shining light  
My endless night  
And I would die without you

Ooh-ooh, you're all I want  
You-ooh, you're all I need  
You-ooh, you're everything  
And I would die without you  
Ooh-ooh, you're all I want  
You-ooh, you're all I need  
You-ooh, you're everything  
And I would die without you
