Oh, this time I'm not gonna let you get away Oh, this time I'll find a way to make you stay When I say I love you I'm serious, Coz this time Oh, this time I'll make this house a happy home There's nothing to change about you girl Coz this time This time I won't listen to what my friends say Oh, this time Gonna do everything my way Oh, this time I'll change my attitude Oh, this time I'll make all your dreams come true This time I won't stand to see you cry before I leave Girl you know I'd rather die When the sun beats through my window I'll be loving you and you'll be loving me This time This time I won't listen to what my friends say Oh, this time Gonna do everything my way Oh, this time I'll change my attitude Oh, this time I'll make all your dreams come true This time I won't stand to see you cry before I leave Girl you know I'd rather die When the sun beats through my window I'll be loving you and you'll be loving me
