Don't walk away

Deeper and deeper
I'm sinking right inside of you
Sweeter and sweeter
I'd die for you

Stronger and stronger You are my happiness Longer and longer Your sweet caress

Aah aah don't walk away Aah aah don't walk away

Deeper and deeper
I'm sinking right inside of you
It's getting sweeter
I'd die for you - no no no no

Aah aah don't walk away -Don't walk away yeah Aah aah don't walk away

Aah aah don't walk away...
