All my thoughts are useless,
They keep me from seeing the bright light.
Falling down this well now,
I'm reaching but it's too high.

Is this the end, the fall of man?

Did we take nothing from the meaning of change for the masses?

We're never gonna learn.

If all we do is take, take, no return.

Blame it on the outside, close the curtains.

Dare me to explain why we don't deserve

The land that we fill and the blood that they spilt

Not a selfish intention; an order to kill.

Kill, kill, ourselves with the question, destroy or rebuild?

Singing S, O, S, to ourselves.

All my thoughts are useless,
They keep me from seeing the bright light.
Falling down this well now,
I'm reaching but it's too high.

IT'LL TAKE A HURRICANE, TO CLEAN UP ALL THE MESS WE MADE.

IF WE'RE GONNA FLY THIS FLAG OF PEACE, WE'LL NEED YOU.

WE NEED TO DIG THIS UP FROM THE ROOTS

AND IF A GOD'S LOOKING DOWN WE'LL GIVE THEM SOMETHING TO LOSE.

We'll give them something to lose.

Assailants; second nature hypocrites. Tell me that it's not as bad as it may seem. Surviving this death trap by the skin of our teeth, Oxygen thieves. Are we just Oxygen thieves?

This is survival of the sickest. We're the casualties that keep living The same shit over and over again The end is coming The end is coming

IT'LL TAKE A HURRICANE, TO CLEAN UP ALL THE MESS WE MADE.

IF WE'RE GONNA FLY THIS FLAG OF PEACE, WE'LL NEED YOU.

WE NEED TO DIG THIS UP FROM THE ROOTS

AND IF A GOD'S LOOKING DOWN WE'LL GIVE THEM SOMETHING TO LOSE.

All my thoughts are useless,
They keep me from seeing the bright light.
Falling down this well now,
I'm reaching but it's too high.
