

# Forever For Her (is Over For Me)

White Stripes

**E**  
I blew it  
**A B E**  
And if I knew what to do, then I'd do it  
**D A E**  
But the point that I have, I'll get to it  
**A B E**  
And forever for her is over for me  
Forever, just the word that she said that means never  
To be with another together  
And with the weight of a feather it tore into me  
Then I knew it  
All the work that it took to get through it  
On the wings of a feather that flew it  
Fell onto my shoe it cut up into me  
**B A E**  
Well, everybody's reaction is changing you  
**B A B**  
But their love is only a fraction of what I can give to you  
**E A B E**  
So let's do it, just get on a plane and just do it  
**D A E**  
Like the birds and the bees and get to it  
**A B E**  
Just get out of town and forever be free  
**E A B E**  
Forever, I wonder we could stay together  
**D A E**  
It could change if you want for the better  
**A B E**  
Just turn down my shirt and lay down next to me
