

## Right To Kill

Whitehouse

That's yours  
That body's yours  
Beat it  
f\*\*k it  
Dominate, mutilate, strangulate  
Rape and bugger it  
Kill it  
Eat it  
It's your right to kill  
It's your nature  
The ultimate pleasure  
Kill, kill, kill  
It's your f\*\*king right to kill  
It's your f\*\*king nature  
Kill, kill, kill  
It's my right to kill
